

Appendix E: Standards of Student Conduct, Policy JFC/JFC-R

Policy JFC/JFC-R

The following are standards of student conduct established by the School Board for all students under its jurisdiction. Consequences shall be determined on the basis of the facts presented in each instance of misconduct in the reasonable discretion of the School Board, its designated committees, and other appropriate school officials.

Neglect of Studies

A student shall not persistently and continuously neglect his/her school work and fail to take advantage of the educational opportunities offered by the schools.

Student Dress

A student's dress and appearance shall not be such that it causes disruption, distracts others from the educational process or creates a health or safety problem. Students must comply with specific building dress regulations and of which students will be given prior notice.

Unexcused Absence or Tardiness

Students shall not be absent from or report late to class or school without appropriate parent/guardian permission, school permission, or an otherwise valid excuse.

Whenever any student fails to report to school for a total of five (5) scheduled school days for the school year, and no indication has been received by school personnel that the student's parent/guardian is aware of and supports the student's absence, and a reasonable effort to notify the parent/guardian has failed, the school principal or the school social worker shall make a reasonable effort to ensure that direct contact is made with the parent/guardian, either in person or through telephone conversation, to obtain an explanation for the pupil's absence and to explain to the parent/guardian the consequences of continued non-attendance.

The school principal or principal's designee, the school social worker, the student, and the student's parent/guardian shall jointly develop a plan to resolve and improve student's non-attendance. If the student is absent an additional day after the plan is made and the school social worker has received no indication that the student's parent/guardian is aware of and supports the student's absence, the school social worker should schedule an Attendance Panel Conference with the student, his/her parent/guardian and school personnel. The conference may include other community service providers to assist in resolving issues related to the student's non-attendance. Upon the next absence by such student, without indication that the parent/guardian is aware of and supports the student's absence, the school principal or the school social worker may notify the court and initiate either or both of the following:

1. Filing a petition with the Juvenile and Domestic Relations Court alleging that the student is a child in need of supervision (CHINS), or
2. Filing a warrant against the parent/guardian for educational neglect.

If a student who is under 18 years of age has 10 or more unexcused absences from school on consecutive school days, the principal may in accordance with Policy JED: Student Absences/Excuses/Dismissals notify the juvenile and domestic relations court, which may take action to suspend the student's driver's license.
